## **Company Profile**

### **Background:**

**Pin Tech Instruments** has been in the line of business since 1977. We have extensive experience and have gained a good repute in the field of export. Now we, the second generation, are successfully running our business.

### **Products and Services:**

We manufacture a wide range of Veterinary and Surgical instruments. We also offer our services to produce any specific instruments for our valued customers.

### **Dedication to Quality:**

Our production units employ the highest quality of raw materials from Pakistan, Japan, Germany and France. Snaa is certified by ISO 9001:2008, CE (UK) and cGMP (USA). These guarantee that our instruments are safe and fit for their intended use.
